

July 4, 1995

Greetings from Minneapolis :)

I hope this note finds you well.

I am enclosing the April, May, June, July, and August issues of Lifeblood. Needless to say I have been running behind, this packet catches things up both news-wise and issue-wise, I hope that you enjoy the material. Because so many issues were ready to go at once, I am covering the postage on this mailing.

With some luck should be back in Texas to stay the end of July, in addition to traveling to Seattle for all three of the JCS shows the end of July, I will be in Atlanta at the RDR bash at Eddies on July 15th - if you are going to be either place drop me a line and maybe we can meet up.

In my bouncing around I have tried my best to keep everyone current, if for some reason you are missing any issues from earlier this year, please send me an envelope with 55 cents postage for each issue and the issue number and I will get it right out to you.

As always, thanks for your input, support, and patience.

Take care and be well -

CAROL
