across

4. are too much for these \_\_\_\_\_ arms to hold
6. now i'm living \_\_\_\_\_
8. strong enough to watch you \_\_\_\_\_
11. you go riding out a \_\_\_\_\_
14. and i feel \_\_\_\_\_ you know
15. but she always comes \_\_\_\_\_ back
18. we are but a moment's \_\_\_\_\_
19. i don't \_\_\_\_\_ find out what i left there for
22. there was too much \_\_\_\_\_
24. you remind me of \_\_\_\_\_
26. to the \_\_\_\_\_ that lie in your path
33. it was getting so \_\_\_\_\_
34. if you have to \_\_\_\_\_ your high horse
36. and there's \_\_\_\_\_ you must do
37. \_\_\_\_\_ of the shrine
38. trying to sell me a future in \_\_\_\_\_
40. with \_\_\_\_\_ eyes and lying tongues
43. i'm \_\_\_\_\_ tonight
44. now the moon is a \_\_\_\_\_ in our eye
47. all this broken \_\_\_\_\_ we left behind
48. so don't be throwing \_\_\_\_\_
49. saving all my money or my \_\_\_\_\_

down

1. i never should have started to \_\_\_\_\_
2. you ask me to \_\_\_\_\_ myself
3. don't be thinking \_\_\_\_\_ is here to stay
5. i've got someone on the \_\_\_\_\_
7. i make an \_\_\_\_\_ of love
9. you can make the \_\_\_\_\_ ring
10. what makes you think the whole world \_\_\_\_\_ you
11. i have spent nights with \_\_\_\_\_ and knives
12. you know we're past the point of \_\_\_\_\_
13. she may go \_\_\_\_\_ about \_\_\_\_\_
16. though the bird is on the \_\_\_\_\_
17. just one key \_\_\_\_\_ them both
20. the \_\_\_\_\_ of everything
21. don't like my \_\_\_\_\_ what i said
23. waiting for you under the \_\_\_\_\_
25. i come with a \_\_\_\_\_ answer
27. with \_\_\_\_\_ eyes you burn for my grace
28. i am not your \_\_\_\_\_ servant
29. the \_\_\_\_\_ of my soul is burned
30. with \_\_\_\_\_ conversation
31. i'm \_\_\_\_\_ you now
32. there was a day when i would let myself be \_\_\_\_\_
35. missing my \_\_\_\_\_ but you needed to leave
39. it's just a raging \_\_\_\_\_
41. i'm the one who \_\_\_\_\_ to you yesterday
42. the \_\_\_\_\_ is weak and when it's all been said and done
45. swallowed the \_\_\_\_\_ and i got the hook
46. and made me feel like i could argue with \_\_\_\_\_
